

## MONTREAL

Montreal is renowned worldwide for being a gay-friendly place. With its vibrant cultural scene, scintillating nightlife and beautiful people, it's no wonder! Not to mention that this cosmopolitan city is crowned with the biggest Gay Village in North America.

Montreal's Gay Village (The Village, French, Le Village gai or simply Le Village) is located on Saint Catherine Street East, centered on Beaudry metro station, and on Amherst Street in the Ville-Marie borough of the city.

The Village runs approximately from Berri Street to De Lorimier Street on Saint Catherine Street and between Sherbrooke Street and René-Lévesque Boulevard on Amherst Street, a distance of nearly two kilometers, making it the largest in North America in terms of scope of the complete area.
