

## NEW ORLEANS

When most people think of New Orleans, Mardi Gras is the first thing to come to mind. But this city is a fun place to play year-round with its liberal open container law, large and diverse group of bars open 24-hours a day.

Most of the venues are clustered in a small area of the French Quarter around St. Ann and Bourbon Street--which makes it easy to barhop and explore all that New Orleans gay life has to offer.
