

Prague's nightlife is a 24-hour affair, and everybody's welcome. Gay and lesbian clubs in Prague offer visitors a night of unlimited dancing or an intimate setting for a few friends. First-time visitors to Prague might try **Drake's** or **The Saints** first, to check out the gay and lesbian club scene.

Termix is larger and **Gejzeer** a little sweatier. **Friends** is a great place to hang out alone or with others. So take your pick and enjoy gay Prague to the fullest when the sun goes down.

Don't forget Prague's other clubs:
