

Out and About in New York City.

DUANE STREET HOTEL

T R I B E C A

The Big Apple, the city that never sleeps. Just dive in for a few days and visit all the landmark icons, shop around, go to a theatre and enjoy the NYC gay nightlife in West or East Village or Chelsea.

Gay life is everywhere in New York City. Nightlife is vivid and overwhelming. You can choose from endless variations on gay bars and clubs: from Muscle Mary Clubs to cabaret piano bars, local intimate bars to trendy gay lounges. Most bars are opened from 16h till 4h. On Manhattan, the most interesting part of NYC for (gay) tourists, the gay scene is concentrated in a couple of neighborhoods. **Greenwich Village** lays the origin of gay pride, where the **Stonewall** riots in Christopher Street awakened gay emancipation. Hence the Christopher Street Days throughout the world. Many gay bars, restaurants and clubs are located here. A bit more fancy is neighboring **Chelsea** in Lower Manhattan west of Park Avenue. Chelsea offers a wide selection of trendy bars, clubs and restaurants which are concentrated around Eighth Avenue. The **East Village** is a bit more of the bohemian version of the West Village. **Midtown** NYC can be well spending for the bars between the Empire State Building and the MoMa on Eighth, Ninth and Tenth Avenue.

What makes New York gay visitors fall in love with the gay scene? Rich with the history of Stonewall, a lively LGBT community and the faboulocity of being the city that never sleeps, new York is so full of options it can be overwhelming. Don't fret, it is not hard to plan the perfect queer-itinerary of the Big Apple. Seven days a week you can find what and possibly who, you're after no matter where you hang out on the continuum. Gay culture has spread its wings throughout New York and the well-known gay areas such as Chelsea, Hell's Kitchen and the village are no longer you only option. Venture over to the Upper West Side or Queens or Park Slope, Brooklyn and expand you possibilities even further. After all, if you can make it there, you'll make it anywhere – it's up to you....You know the rest.
