

HOTEL METROPOLE
BRUSSELS

Description of the Hotel Metropole

Opened in 1895, the Hotel Metropole is ideally located in the heart of the historic center of Brussels, just a few steps away from the Grand Place, the Bourse and the most attractive shopping street (rue Neuve).

The hotel, dating from the 19th century (1895), offers guests one of the most imposing **interiors** of Brussels. Real Belle Epoque museum, it has such a magnificent French Renaissance style reception, a sumptuous Empire style lobby, the restaurant L'Alban Chambon has been decorated in an Italian Baroque style, the bar "The 31" in an unique "End XIX - contemporary" styles with gold, glittering chandeliers, stained glass and leather sofas,

In April 2002, the Council of Monuments and Sites of the Brussels Capital Region decided to close and protect the front **of the hotel**, the ground floor and the elevator Belle Epoque.

From its opening in 1895 until today, the Hotel Metropole has always welcomed stars and personalities from the world of film, music, business and politics, attracted by the quality of its service, creative cuisine and rich environment.

The Hotel Metropole features:
