Their history

Callen-Lorde's grassroots heritage dates back 50 years to the St. Marks Clinic and the Gay Men's Health Project – two volunteer-based clinics that provided safe and confidential sexual health and primary care regardless of ability to pay. www.nyclgbtsites.org/theme/village-pride-tour

Greenwich Village has a long and diverse history that has made it an important epicenter of LGBT life in New York City.

In the pre-Stonewall years, amidst an atmosphere of fear and repression, gay bars and other social gathering spaces were crucial in creating a sense of community and brewing political agitation.

This curated theme highlights a few sites near Stonewall, all of which are included in a [walking tour brochure](#) that we produced in collaboration with the National Parks Conservation Association.

- **BUSHWIG, BROOKLYN – Drag is never a drag.**

www.bushwig.com

Each September, more than 200 drag performers gather on the Bushwick-Queens border to celebrate everything that is wigs, contouring, lip-syncing and sashaying.

The two-day queer music and performance festival brings some of the biggest names in drag and the people who love what they do to a massive warehouse event space the first weekend in September.

This past event was the seventh Bushwig since founders Horrorchata and Babes Trust launched the event in 2012.

"We're not just a drag queen festival but a celebration of queer creative New York," organizers wrote on the event website. "Our mission is to change the face of queer event culture."

- **ELLIS**

To say that Ellis is shaking up the New York lesbian nightlife scene would be an understatement. Ellis isn't merely razing (and raising!) the status quo for queer women's events — it's laying down fresh bricks.

Since its launch in April of 2018, Ellis has been "celebrating the beautifully curious, fluid, interesting and interested women of New York City," according to its mission. From its kickoff at the Gordon Bar (inside SIXTY SoHo, one of downtown's most exclusive boutique hotels), Ellis has evolved into one of the most talked-about parties to hit the scene this past year.
