

Dear Guest,

we would like to thank you for choosing the Continentele Hotel in Florence. The Continentele is themed to recall Italy's 1950s, yet reinterpreted in a glittering, modern style throughout the common areas and the rooms. Rooms feature sheer-draped beds, light wood furniture, oak floors and flowing curtains. Bathrooms include Salvatore Ferragamo amenities.

We hope you feel at home and we wish you a pleasant stay with us! Below you will find some information regarding Bars, Restaurants, Clubs , Experiences we would like to recommend you. Do not hesitate to contact the Reception Staff in case you will need assistance!
