“San Francisco’s rich counterculture history stretches from North Beach to the Castro and dates as far back as the mid-1800s. At that point, this famed West Coast city was a pioneering town that welcomed transient and adventurous new residents; since then, it has embraced its public persona to become one of the most exclusive - and inclusive - locations for celebrating LGBTQ culture.” *SF Travel*

*PRIDE festival If you're just starting to explore the LGBTQ community in San Francisco, this celebration is a great introduction to all the area has to offer. Started in 1970 on the one-year anniversary of the infamous Stonewall Riots in New York, the theme this year is "Generations of Resistance." The event starts on Saturday in downtown's Civic Center Plaza featuring a festival of more than 20 community-produced performances, from Homo Hip Hop to Gray Pride, and culminates in the 49th Annual SF LGBT Pride Parade on Sunday morning.*

**Folsom Street Fair (Sept. 29)**

**Castro Street Fair (First Weekend in October)**

*Castro Street is arguably the most famous and iconic of all LGBTQ neighborhoods. In fact, the annual Castro Street Fair was founded by Milk himself in 1974. The fair is located in the heart of the Castro District, centered around Market and Castro streets. With vendors, dance parties, arts and crafts, live performances and more, the Castro Street Fair donates its proceeds to local charitable organizations.*
