## Connected Sea Hotel

Savoy Signature presents the latest hotel in its collection. Rated 4 stars, two steps away from Savoy Palace and with the same unique location – next to the cruise ship port of Funchal and a 5-minute walk from the city centre –, the NEXT hotel benefits from direct access to the sea. In addition to providing superb moments of leisure in the main outdoor swimming pools by the sea (1 for adults and 1 for children), the hotel features a special outdoor pool on the rooftop, equipped with an underwater sound system.

In an inviting hotel – especially, although not exclusively – for the millennial generation, digital nomads, tech-savvy or tech-curious, free wi-fi is, of course, available throughout the hotel. In public areas, there are USB charging points for smartphones and other electronic devices. The app developed specifically for this hotel is intended to automate various daily tasks.

From trendy hotels, to the best gay spots, Restaurants & Bars, Madeira is one of the top gay destinations and perfect for LGBTQ+ travel!
